

## You Are.....

### Chapter 1 by Flower234

You are the book you read,  
the films you watch, the music you listen to, the people you meet.  
the dreams you have,  
the conversation you engage in.  
You are what you take from these.  
You are the sound of the ocean,  
the brightest light and the darkest corner.  
You are a collective of every experience you have had in your life.  
You are a collective of every experience you have had  
in you life.  
You are every single day.  
So drown yourself and existence.  
Let the words run through your veins and let the colors fill your mind.
